UPDATE

**In Support of The Canadian Cancer Society
& Prostate Cancer Research**

To the Brethren of Georgian South District, their families and friends, all whom share this success and to whom we are most appreciative,

On behalf of R.W. Bro. Kennard W.R. Pratt D.D.G.M. Georgian South District, we are pleased to announce the current total of funds raised for the District Project. Presently, \$24,681.97 + The Masonic Association Bump of 10% or Max \$1,000.00 builds to a.....

Grand Total of \$25,681.97

We set a goal of \$25,000.00 and thought it was a bold audacious goal “Bodacious”! We have been humbled by the degree of involvement and effort all Lodges of the District put forth. We express on behalf of the D.D.G.M. and his committee our most sincere and heartfelt thanks.

It truly is amazing what can be accomplished when we set our sights high, communicate the cause and engage each other in mutual success toward an honourable goal.

Thank you One and All!
